

Medical Needs-Emergency Contact Information

There are no medical facilities on the island.

If you have specific medical needs, make sure to **bring a supply of your medicine**.

Anyone with allergies, to anything such as yellow jackets or anyone with an asthmatic condition, **bring your medication with you and keep it on your person while visiting at all times**. Please **notify Reserve staff of any medical concerns** for you or anyone in your group.

If you are **diabetic**, please notify Reserve staff upon your arrival and **carry your medicine** on your person at all times while visiting.

If you have any medical concerns, check with your doctor before coming to the island.
